

THE SUNDAY SCHOOLS.

Annual State Convention Meets at
Clarksburg.

THE ATTENDANCE OF DELEGATES

Is Larger than Expected and Prospects for a Profitable Session Excellent—President Martin Unable to be Present on Account of Sickness. An Interesting Session.

Special Dispatch to the Intelligence.

CLARKSBURG, W. VA., May 17.—The West Virginia state Sunday school convention met at Goff chapel M. E. church last evening in eleventh annual session, and was called to order by Secretary Homer W. Boughner, who read an interesting and encouraging letter from the president, Hon. B. F. Martin, of Grafton, who on account of sickness was unable to be present. After devotional exercises Rev. A. Moore, of Grafton, was elected president pro tem. Rev. C. M. Thompson, of the Baptist church, extended a generous and hearty welcome to the convention, to which the president responded briefly.

When the convention was called to order this morning about 130 delegates were reported present. A song service was given by Rev. L. W. Roberts, of Ritchie Co. H., was the first service for the morning. Pres. Moore then appointed a committee on credentials. Rev. L. W. Roberts, of Ritchie Co. H., Miss Grace Whitescarver, of Grafton, and Mrs. Rev. Arbuthnot, of Weston. All these school workers present were members of the convention excepting those belonging to local churches, to which two delegates were allotted. On motion the committee on credentials was authorized to recognize two classes of delegates, those sent as delegates and those attending as visitors.

The following committee on resolutions was then appointed:

W. B. McGregor, Mrs. Stone and M. A. Kendall. On organization, A. B. Roherbaugh, E. F. Garrett, A. F. Richardson, J. L. Huffman, A. L. Barnes, W. H. Freeman and W. S. Post.

The remainder of the forenoon was occupied with reports by counties of the Sunday school work. Several counties were reported as organized, and altogether a very creditable account was given of the work. The president and statistical secretary being absent, no report was made in their department, but a very satisfactory report was presented by the treasurer. The services were opened in the afternoon with a short song service, followed by a discussion of the topic, "The Holy Spirit," by Rev. I. A. Barnes, of Grafton. This was followed by sentence prayers from a great many of those present.

A very interesting discussion on how to prepare and teach a Sunday school lesson was participated in by Revs. McGregor, Coffield, Roherbaugh, Barnes, Bent, Evans and others. A question drawer then occupied the most of the time until adjournment at 5 o'clock. An entertaining song service by the M. E. church choir was followed to-night by an instructive and scholarly talk by Rev. Powell, of Parkersburg, on Sunday school work in the rural districts. The children and the future church was the subject of the closing address by Rev. A. F. Richardson, of Grafton. The attendance and the prospects of a very profitable meeting are much greater than was even expected by the most interested workers.

Preston All Right.

Special Dispatch to the Intelligence.

KINGWOOD, W. VA., May 17.—Enough election returns are in to elect the Republican nominee for county superintendent of schools. Lorain Fortney is elected by 800 majority on a light vote. Preston is still true to her colors and the Republicans have elected their man over a Democratic and Independent candidate.

Big Republican Majority.

Special Dispatch to the Intelligence.

CHARLESTON, W. VA., May 17.—Yesterday's election resulted in the election of Grant P. Hall, Republican, for county superintendent of schools, by about 750 majority, the largest majority ever given for that office.

The Plate Glass Trust.

KOKOMO, IND., May 17.—The plate glass trust is now assuming tangible form, and is an assured fact. It will embrace the four largest factories in the United States—the Diamond works, of Kokomo, a branch of the same company at Elwood, Ind., the Charleroi, in Pennsylvania, and the Crystal City, of Missouri. The factory here, employing 1,000 men is closed, while an inventory is being taken, preparatory to the transfer of the syndicate. The Diamond stock will go in at \$7,000,000.

American College of Home Alumni.

CLEVELAND, O., May 17.—The meeting of the alumni of the American College of Rome, which was begun at the Hollenden to-day, was an interesting event. The eastern diocese, a great many of whose members were educated at Rome, are well represented, while many western priests are also in attendance. Among those present are Archbishop Corrigan, of New York, and Bishop McDonnell, of Brooklyn; Bishop McCloskey, of Louisville; Bishop Chatard, of Indianapolis, and many other priests. The meeting to-day was behind closed doors.

The Home Rule Bill.

LONDON, May 17.—The second clause of the Irish home rule bill, conferring authority on the Irish legislature to enact laws, was passed to-day in committee of the house of commons as amended by the adoption of Sir Henry James' amendment to the effect that the supreme power of the imperial parliament should remain undiminished by any provision of the home rule bill. The clause as amended was adopted by a vote of 257 to 225.

A PLEASANT AFFAIR.

The Annual Banquet Given by a Well Known Firm Last Night.

For several years the firm of Kurner & Chew, the Twelfth street paint and wall paper house, has had a pleasant custom of giving its employees an annual banquet. Last night was the time chosen for the one this year, and the Hotel Brunswick the place. The full Opera House orchestra was present and discoursed its sweetest music throughout the feast, which was gotten up in a way to do great credit to Caterer Martin Thornton. Fifty-two persons, members and employees of the firm, sat down and did ample justice to the four fine courses and the accompaniments.

Mr. Kurner, on behalf of the firm, greeted the guests in a genial speech, expressing the hope that employers and employees might always be friends, and Harry Smith responded on behalf of the employees, echoing the sentiment and assuring Messrs. Kurner and Chew of the friendly regard and esteem of all in their employ.

It was a late hour when the merry company dispersed. Such gatherings tend to make the business relations of life pleasant and congenial, and this firm's example is worthy of the widest emulation.

MINISTER RISLEY'S DELAY

In Leaving for Denmark May Be Extended by a Writ—A Suit for the Recovery of Money Due McDonald's Estate.

New York, May 17.—John Ewing Risley, President Cleveland's appointee for minister to Denmark, is in serious trouble, and may not be able to go to his post. Risley, it will be remembered, was charged with being a member of the notorious Knights of the Golden Circle, and not having settled with the estate of Ex-Senator McDonald. He denied both accusations. The worry and excitement attending Risley's efforts to secure the confirmation of his appointment as minister to Denmark in the face of these exposures made him sick.

The time fixed for his sailing was May 1, but this date found him confined to his home. He is now recovering, and will be ready to sail in a few days. Before sailing, however, it will be necessary for him to meet this suit in the U. S. circuit court. In the U. S. court a writ prohibiting Risley from leaving this country was asked, pending a suit brought by Joshua M. Spencer, of Indiana, against Risley. The suit is for the recovery of a one-half share of 10 percent, of over \$2,250,000 obtained from the United States under the Geneva awards in 1882 on behalf of James C. Jewett.

In asking for the writ and for the appointment of a receivership of Risley's property in Kings and Westchester counties, Spencer sets forth that he is the assignee of the late Senator Joseph E. McDonald's claim against Risley for one-half of the fee arising out of Risley and McDonald's joint efforts to secure his award as attorneys for Jewett. Spencer says that McDonald received only \$6,000 from Risley as his share.

PASSPORTS OF JEWS

Visiting Russia from America—A Conference Regarding Them.

WASHINGTON, D. C., May 17.—A party of prominent New Yorkers, consisting of Oscar S. Stours, ex-minister to Turkey, Jesse Seligman, Julius Goldman, Col. John B. Weber and M. S. Isaacs, who arrived in Washington last night, called on Secretary Gresham this morning and had a conference with him. The party refused to talk about the subject discussed, but it is understood that the delegation asked that some action be taken with a view to having this government insist that passports issued to American citizens of the Jewish faith, who contemplate visiting Russia, shall be signed by Russian consuls at various ports. The recent refusal of the Russian consul at New York to countersign the passport of a Jewish woman, whose husband is an American citizen, on the ground that his government forbade him doing so, is said to be the underlying reason for the reported protest. Inquiry at the state department developed that such a law governed consuls of the Russian government, and that the United States is obliged to recognize it.

At the council meeting Tuesday night the following persons were named as members of the board of equalization: John Stoger, A. T. Lockwood, Patrick Scallion, J. P. Lowman, John Gallagher, B. J. Myers, George Kern, Wm. C. Cochran, John Allum, Geo. E. Littleton, A. W. Shepherd, P. J. McDonough, A. M. F. Boyd. Six ballots were taken before anyone received enough votes to elect, but on that ballot John Stoger drew a three-year prize. The ballot continued for nine times again without result, and then John Gallagher drew another three-year prize. For the one-year term two ballots were taken, A. M. F. Boyd getting the place on the second ballot.

The city council on Tuesday evening tried to straddle the decision of the councilman squabble in the Fourth ward. There was a tie vote at the regular election; that was decided by the mayor and city clerk drawing lots, and the office fell to W. D. Jones. The only way this can be reversed is for the council to vote Mr. Jones out and Mr. La Roche in.

Capt. Abe Kelly, of Barnesville, and Howard Kirk, of St. Clairsville, were both announced here yesterday as candidates for county treasurer. Capt. Kelly was a very formidable candidate two years ago against the present treasurer and is well known throughout the county, and Mr. Kirk is the present deputy in that office and is widely known.

Charles Doyle, who has a wife here, with whom he lives part of the time, was arrested yesterday on a charge of living in a state of adultery with Alice Sharp. He pleaded guilty and the mayor assessed him \$35 and costs. He will go to the Zanesville workhouse. Notwithstanding his plea of guilty, his wife pleaded with the mayor to let him off.

Rev. J. C. McCracken was installed as pastor of the Second Presbyterian church last night according to the forms of that church. Rev. J. M. Stephens, of Bridgeport, preached the sermon. Rev. L. Mayor McGowan carries a handsome gold watch, the result of his contest with Mayor Mahood, of Benwood, at the American Mechanics' fair and festival. The order, by the way, will net nearly \$500 out of their fair. Miss Jennie Orvill got the lady's gold watch, and Henry Vaupio got the arm chain.

P. O. Oriswell and Richard Hoslop retire to-day from the city board of equalization, which is now composed of W. C. Bergundthal, George W. Yost, John Fallon, John Stoger, John Gallagher and A. M. F. Boyd. They meet at the auditor's office next Monday to organize and begin business.

An effort is being made to hold evangelistic meetings here all summer under the leadership of Mrs. Huntley. The city hall was asked for this purpose, but was not granted.

MARTIN'S FERRY.

News Notes and Personals from Our Near Neighbor.

Martin's Ferry merchants say they do not care if a tax of \$100 is required to sell cigarettes, as the sale is gradually decreasing, and they will close out their present stocks before July 31 and discontinue the sale. It is not likely that any dealer in Martin's Ferry can afford to pay \$100 annually. "Why, there are not one-tenth the cigarettes sold now there formerly were," said a dealer last night.

"Nora Machree."

Sidney R. Ellis's scenic production of "Nora Machree" will open a three nights' engagement at the Grand, beginning Thursday night. This great romantic play has been received everywhere with unanimous praise, the press and people with one voice stamping it the success of seasons. Its construction is of the most superb stagecraft, and its subject is, and will always remain, deeply sympathetic to the human heart. The dialogue is pointed and witty, the situations full of interest and dramatic force, and, above all, nothing is overdone. Seats are on sale at the Grand opera house box office.

For rheumatism, lumbago, neuralgia, cramp and colic there is no remedy superior to the genuine Dr. Thomas' Electric Oil.

Have you ever heard the Krakauer Piano?

Greatly surprised.

My wife was confined to her bed for over two months with a very severe attack of rheumatism. We could get nothing that would afford her any relief, and as a last resort gave Chamberlain's Pain Balm a trial. To our great surprise she began to improve after the first application, and by using it regularly she was soon able to get up and attend to her house work. E. H. Johnson, of C. J. A GOOD SHOW

We are always advising you to advertise, and to keep on advertising, but that does not cover the ground entirely. Of course, you should make your advertising effective—if an electric light be available, you should not use a "tallow dip" to light the path to your store.

What do we mean by that? Simply that the more conspicuous, the more artistic, the more attractive, the more original you make your advertisements, the more people will see and read them, and the more customers you will have to contribute to your cash-drawer.

Study effects in bold pretty type—good matter may be spoiled by ugly dressing. Seek to catch the eye by a display of good taste in the style and arrangement of your announcement.

Above all, let it be bold enough to be easily read. Don't vex a reader by vexing his or her eyes!
